

CLEANING PRODUCTS RANGE 2011

17 MILLS ST, CHELTENHAM NORTH, 3192
TEL : (61-3) 9583 9777 FAX : (61-3) 9583 9501
E-MAIL : orders@nlz.com.au
WEB : www.nlz.com.au

Our Australian owned family business has been importing hardware for over 30 years. We believe in providing quick turn-around times with old-fashioned service.

Our extensive range includes hand tools, garden tools, home-wares, brushware and mops as well as giftware. Contact us for the other catalog sections of our range. Our website also has downloadable versions of the catalogs.

We are based in a 6,000 square metre warehouse in Cheltenham North and have our range on display in our showroom should you want to visit.

We allow purchase of any quantity of an item, not like many who insist on carton quantities, provided the total order reaches our minimum order value.

We offer F.I.S. delivery to all metropolitan capital cities.*

Please note : all pictures in the catalog are for illustration purposes only. They may be subject to change and differ from actual product.

* subject to conditions

MAXI SAFE

MC-04460

Gloves for mechanics, motorcycle riders, and workers. Palm made of PU. Back is made of neoprene. Extra warm - suitable for skiers. Double cuff for cold protection.

EN388

4121

MAXI GRIP

MC-04050

13 gauge seamless nylon liner. Super Grip nitrile coated palm to prevent slipping and also drives away oil from the palm. Widely used in construction and mechanic work as well as in household applications.

EN388

4132

MAXI PLUS

MC-04100

15 gauge nylon liner with 3/4 nitrile coated. Water resistant. Micro foam palm allows the hand to breathe. Specially shaped for perfect fit. Suitable for industrial use.

This diagram details the testing categories for BS EN388: 2003. A tested item is given a performance rating of 1 to 4 (lowest to highest) on some or all of the listed categories. The 'blade cut resistance' test is an exception as it measures from 1 to 5. Frequently an 'x' will replace one or more of the numbers, this means that the corresponding test was not performed.

MAXI BAMBOO

Natural foam rubber palm coated. Water resistant. Bambooshell is chemical free and can be fully biodegraded. Bamboo fabric is 2-3 degrees cooler than cotton and keeps hands 4 times drier. It is more breathable than any other material. Provides perfect fit for the hand and is suitable for any gardening jobs. This product includes natural rubber which may cause allergic reaction in some cases.
